THE 1972 HAJIVALE

UNIVERSITY OF MARYLAND, EASTERN SHORE
PRINCESS ANNE, MARYLAND

FOREWORD

At some colleges, high ivy walls surround buildings, teachers, and students; their doors are hard to find. At the University of Maryland, Eastern Shore, our spacious campus and towering halls assure those coming to seek a new life that no high forbidding barriers will shut them out, that to knock is to open wide, the portals of knowledge, rich experiences, and new concepts of intellectual pursuit. It's a new day and a new experience where every effort is being made to add depth to learning and no one will leave by the same intellectual door through which he entered.

Lest we forget, the profound and subtle changes wrought upon us within the walls of our alma mater, the members of the staff of THE HAWK present their record of the wholesome experience of the students and faculty who, in 1972, sought and found that at UMES to ask was to have, to seek was to find, to learn was to learn wide.

DEDICATION

WE DEDICATE THIS PORTION OF THE YEARBOOK TO MRS. INA Q. STEELE

To a lady whose inward beauty shines forth in
warmth and grace;

To a gentle woman of sincerity, sympathy and
humor;

To a servant of the University of Maryland,
Eastern Shore

Who has never worked to serve her private goals,

Who has ever been faithful in action and clear
in honor;

To a friend whose love for the University and its
students has been exemplified in years

Of selfless devotion to our common welfare, a
friend who has never refused a request for

Help and, time after time, has gone beyond duty's
call in service to all;

To a real lady and friend, we dedicate this issue
of THE HAWK to

Mrs. Ina Q. Steel

LIFE AT MARYLAND

MISS UNIVERSITY OF MARYLAND
EASTERN SHORE

WELCOME TO THE

HAWK FAMILY

They say students never think much . . . but who are they anyway? How do they really know? I say they're wrong . . . I think . . . most of my friends seem to . . . I must admit I didn't much before, but now that I'm getting older I find myself thinking quite a bit. I look at things in a different light now. Somehow I seem to have found depth that I never before realized. For instance, now, I'M ACTUALLY THINKING ABOUT THINKING . . .

The UMES "Hawk" yearbook is an intricate part of the University. We have "tried hard" and "strived long" to make the "Hawk" a success. There is always room for improvements in a yearbook, such as life. With that we leave you with the quote: "if life had a second edition, how would I correct the proofs."

THIRTEEN (13) COLLEGE CURRICULUM PROGRAM

The most frequent asked question by faculty and students is "What is the 13-College Curriculum Program?" The answer to the question, speaking generally, is quite simple; however, speaking specifically, it can be somewhat difficult. The 13-College Curriculum Program is a creative approach to the teaching and learning processes with a focus on stimulating through and provoking innovations in the general education course offerings."

I

To Thee, Dear Alma Mater,
We raise our grateful song,
For through thy noble teachings
Thou'st made thy children strong;
And thousands still shall praise thee,
All earth shall hear their swell,
And bind our hearts yet closer
To Thee we love so well.

II

We love thy spacious campus,
We love thy tow'ring halls.
And hallow'd are the lessons
We've learn'd within thy walls.
Stand thou forever glorious,
Full-rob'd in living green;
Shine thou in endless splendor
Beneath thy tree's serene.

Refrain

Maryland, Maryland, home of Maroon and Gray
Maryland, Maryland, thee we will love away.
All hail to thee, fair Maryland,
All Glory be to thee!
Grow thou in strength and honor
Through all eternity!

Character is what emerges from all the little things you were too busy to do yesterday, but did anyway.

THE EDITOR SPEAKS

At last we have completed this edition of "The 1972 Hajivale". This book is the product of much of our time, effort, and talent. It also shows many hours of generously volunteered work by the staff and extra special care by our publishers. The Staff has undertaken this task of producing a yearbook with a cheerfulness and dedication that is seldom credited to our generation. Their efforts are largely unsung until the day that this book arrives, yet their work comprises the only permanent record of this year and will remain a tribute to their efforts. During this past year, the "Hajivale" staff has been aided by numerous interested individuals. First, Mrs. Dorothy Waters, our advisor, whose unflagging interest has been most appreciated, as were the IBM lists used by our staff that were provided by Mr. Samuel Hutchins. Second, We would like to thank the members at Inter-Collegiate Press for being so patient and for producing our late edition of the Yearbook. Third, We would like to thank Mr. Thomas Wiles for the wonderful work that he did on taking the pictures for the book. In the line of student help, we would like to give thanks to the New members who joined the staff and special thanks to a few of the old ones who did more than their share, these people are Rose Hodge, Mary Anne Holland, Gwen Parker and Velma Layton. Miss "Hajivale" Ernestine Hawkins is to be commended for her diligent attention to our yearbook and personal efforts that she put in the completion of the yearbook. Last but not least, we would like to thank Mr. Dowery, Dean of Student Affairs, whose patience with the Editor's numerous requests for impossible pictures has been remarkable and whose unending willingness to carry, lift, pick up, advise, and generally offer moral support to the Editor and the entire staff has helped the book to become a reality. To all of those who have had a part in the production of the 1972 "Hajivale" I would like to express my appreciation not only for their hard and efficient work but also for their loyalty and the generous gift of their "spare time". It has been a pleasure to work with all of them.

Look closely at our past, then go with us into the future, realizing as we do that gone are the yesterdays but the sun dawns on a new tomorrow.

Donald L. Whittington, Editor-in-Chief

he hears, however mea-
sured or far away.
